

PRIVACY POLICY

Thanks for working with ChrisRubinCreativ (CRC). Here we describe how we collect, use and handle your information when you use our websites, software and services (“Services”).

WHAT & WHY

We collect and use the following information to provide, improve and protect our Services:

Account. We collect, and associate with your account, information like your name, email address, phone number, payment info and physical address. Some of our services let you access your accounts and your information with other service providers.

Services. When you use our Services, we store, process and transmit your files (including stuff like your photos, structured data and emails) and information related to them (for example location tags in photos). If you give us access to your contacts, we'll store those contacts on our servers for you to use. This will make it easy for you to do things like share your stuff, send emails and invite others to use the Services.

Usage. We collect information from and about the devices you use to access the Services. This includes things like IP addresses, the type of browser and device you use, the web page you visited before coming to our sites, and identifiers associated with your devices. Your devices (depending on their settings) may also transmit location information to the Services.

Cookies and other technologies. We use technologies like cookies and pixel tags to provide, improve, protect and promote our Services. For example, cookies help us with things like remembering your username for your next visit, understanding how you are interacting with our Services, and improving them based on that information. You can set your browser to not accept cookies, but this may limit your ability to use the Services. If our systems receive a DNT:1 signal from your browser, we'll respond to that signal as outlined here.
